### Product description

Riex GP68 Corner Pull-out Baskets with Door Attached, Set of Full Bottom Baskets The Riex GP68 corner pull-out baskets offer a functional and convenient solution for maximizing corner cabinet storage. Each set includes full-bottom baskets in modern finish, providing both durability and style. The front door is attached directly to the frame, allowing for effortless access to the entire corner space with a single movement. With a total load capacity of 16 kg for inner baskets and 10 kg for outer baskets, the GP68 ensures reliable performance for a wide range of kitchen essentials. Frame with mechanism must be ordered separately Key Features: Includes full-bottom baskets in a modern finish. Front door attachment enables easy access to the entire corner with one motion. High load capacity: 16 kg for inner baskets and 10 kg for outer baskets. Ideal for maximizing space and organization in kitchen cabinets. Frame with mechanism must be ordered separately
