Описание продукта

Riex NC40 Hinge Clip-On, 90° Elevate your cabinetry with the Riex Furniture Cup Angle Hinge, featuring a 90° angle. Ideal for various types of cabinets with frames or blind corner cabinets, this hinge ensures both functionality and ease of installation. Key Features: Easy Detachment: Lever-shaped clip mechanism for effortless removal from the mounting plate. Precision Adjustment: The hinge arm includes a CAM screw for easy and precise adjustment of the gap between the cabinet and the door. With or without Soft-Closing Damper: Can be equipped with a new steel, plastic-cased damper that ensures smooth and quiet soft closing. 90° Angle: The door closes at a 90° angle to the normal hinge, making it parallel to the cabinet and suitable for various types of corner cabinets. Standard Screw Installation: Easily installed using standard screws for a secure and straightforward setup.
