Описание продукта

Riex NC40 Hinge Clip-On, Inset, 155°, Soft-close Optimize your cabinetry with this furniture cup hinge, crafted for inset doors and featuring a 155° opening angle. Combining convenience with precision, it's designed to deliver top performance in various cabinet applications. Key Features: Soft-Closing Mechanism: Features a steel damper in a plastic case for smooth and quiet closing. Easy Detachment: Equipped with a lever-shaped clip mechanism for effortless removal from the mounting plate. Precision Adjustment: Includes a CAM screw on the hinge arm for easy and precise adjustment of the gap between the cabinet and the door. Standard Screw Installation: Can be installed with standard screws, providing a secure and straightforward setup.
