Описание продукта

Riex NC70 Mounting Plate for Hinge Clip-On, H2 Enhance your hinge installation with the Riex mounting plate, compatible with clip-on hinges NC50 and NC70. This raised height H2 plate is designed to accommodate thinner side panels and is ideal for half overlay and inset hinges. Key Features: Compatibility: Suitable for Riex clip-on hinges NC70. Raised Height H2: The mounting plate has a raised height of 2mm (H2), making it ideal for thinner side panels and ensuring a secure fit. Installation Options: Can be installed using screws, pre-installed euroscrews, or dowels. Perfect Alignment: Includes an optional CAM screw for easy adjustment of the vertical position of the door.
