Описание продукта

Riex NC70 Hinge Clip-On, 90° Upgrade your cabinetry with the Riex Furniture Cup Angle Hinge, featuring a 90° offset. Ideal for various types of cabinets with frames or blind corner cabinets, this hinge offers precision and reliability. Key Features: Effortless Detachment: Push-button casted clip mechanism for straightforward removal from the mounting plate. Adjustable CAM Screw: Equipped with a round sunk CAM screw offering a wide adjustment range for setting the gap between the cabinet and the door. 90° Angle: The door closes at a 90° angle, making it parallel to the cabinet, suitable for different types of framed cabinets. Optional Steel Damper: Can include a steel damper to absorb dynamic door closings, ensuring smooth and quiet operation. Flexible Installation: Supports installation with screws
