Zero Protrusion	No

Описание продукта

Riex NC70 Hinge Clip-On, Inset, 165° Upgrade your cabinetry with the Riex furniture cup hinge, designed for inset doors with a wide 165° opening angle. This hinge is particularly suitable for folding doors in corner cabinets, offering both practicality and functionality. Key Features: Wide Opening Angle: 165° opening angle is ideal for folding doors in corner cabinets, providing extensive access to the cabinet interior. Easy Removal: Cast lever clip mechanism enables easy removal from the mounting plate. Precise Adjustment: The hinge includes a recessed round eccentric CAM screw with a broad range for fine-tuning the gap between the cabinet and the doors. Steel Damper Option: Choose between hinges with or without a steel damper, capable of absorbing even very dynamically closing doors for smooth, quiet operation. Standard Installation: Can be installed with standard screws.
